Mr. Eric Wade Rowell

Dear Mr. Rowell:

The McIntosh Law Firm represents Huntersville Fire Department, Inc.

I write in response to your email to Fire Chief Dotoli of March 23 and your requests for documents referenced in that email. As you know, Huntersville Fire Department, Inc., is a private non-profit corporation. Documents which the Department provides to the Town of Huntersville or other local governments are public records which can be obtained from those local governments. The Department itself is under no obligation to provide the general public with access to the Department's records. The Department declines to provide you with the documents you have requested.

In accordance with Rule 4.2 of the North Carolina Rules of Professional Conduct, any further communication directed to Huntersville Fire Department, Inc., shall be with me, as legal counsel for Huntersville Fire Department, Inc.

Thank you for your attention to these matters.

Yours very truly,

A handwritten signature in cursive script, appearing to read "Jesse C. Jones".
